

March 17 2021

Dear Golfers,

For those of you we haven't seen enjoying the ski trails this winter, we hope you are in good health and in good spirits! With 2020 behind us, the Lakewood Crew is looking forward to a wonderful 2021 golf season.

The snow took a while to stick around this winter, but once it did there was some great skiing on the course and on the woods trails. The Jim Browne Foundation (JBF) ran Saturday Family Ski Sessions and partnered with Skowhegan Outdoors to run a few clinics. We had a record number of people use the trails this season. It was great to see so many familiar faces, and it was great to see so many new faces as well! However, it is almost time to put away the groomers and get out the mowers.

This season we will be working hard on our cart paths and sand traps. There will also be some tree removal around the 15th green and 16th tees to open those areas up to sunlight, air movement and to stop the tree roots from taking the valuable nutrients from the soil.

New this summer, the Masterman Agency will be sponsoring a business league scramble. The basic format is a four person scramble but you can have six people registered on your team (not all people need to be part of the business) and it will run for 8 weeks. Your team must enter a score each week but you can play any day of the week. All entry fee costs will be paid out as prizes, and for non members there will be a discounted greens fee of \$25. To register your team or for more information contact Ethan at sandyriverflyfishing@gmail.com.

We are very excited for this golf season and cannot wait to get outside, swing those clubs and see happy golfers all day long!

Thanks,

Kevin, Margi and the entire Lakewood Crew

P.S. Lakewood has a new Crew member - he has four legs, has a curly chocolate coat, and his name is Ace. :) He can't wait to meet you!

P.P.S. Keep an eye on our Facebook page for updates (plus info about JBF kids clinics, etc.) and cute puppy pictures!

Location: Route 201 -Lakewood Road, Madison, Maine
